List of figures and tables

Figures

2.1 Flowchart of article selection
2.2 Amount of publications per year
5.1 REACT – generic design process in policy labs
6.1 Methods used ‘quite’ or ‘very frequently’ by PSI labs (%)
6.2 Public sector design levels that PSI labs quite or very frequently engage in (%)
6.3 Stages of the innovation cycle that PSI labs quite or very frequently work at (%)
6.4 Where projects originate from (non-government PSI labs)
8.1 The iterative and complementary nature of creating, assessing, theorising and justifying activity in PPA research

Tables

1.1 Three design approaches in public administration
2.1 Type of solution and level of (intended) implementation (%)
2.2 Stakeholders: types and level of involvement
2.3 Different approaches to design in public administration
A.3.1 Design problems ordered by domain
A.3.2 Design goals and their frequency
A.3.3 Implementation status of designs
A.3.4 Design methods mentioned in included articles
4.1 Examples of collaborations in the OCFL (Organised Crime Field Lab)
4.2 Evolution of the OCFL (Organised Crime Field Lab) as design environment (2014–2018)
5.1 Policy labs worldwide
5.2 Summary of selected case studies
5.3 Methods and tools used by policy labs
6.1 Three approaches to policy
6.2 Profile of lab participants
7.1 Institutions and designing
A.9.1 Policies for minority-owned businesses in Minnesota
A.9.2 Development of collaborative governance: forums, arenas, and courts in the early stage, 2014–2015
A.9.3 Development of collaborative governance: forums, arenas, and courts in the intermediate (Cohort) stage, 2016–mid-2017
9.4 Development of collaborative governance: forums, arenas, and courts in the later (Synergy) stage, mid-2017–mid-2018

10.1 The potentials of designerly approaches for policy-making

10.2 Conjectures between modes of design in policy-making
Notes on contributors

**Victor Bekkers** is Full Professor of Public Administration at Erasmus University Rotterdam, Netherlands.

**Emma Blomkamp** is Founder of CoDesignCo, Australia, and Honorary Fellow at the University of Melbourne.

**Sylwia Borkowska-Waszak** is a PhD student at the University of Strathclyde, UK.

**John M. Bryson** is McKnight Presidential Professor Emeritus at the University of Minnesota Twin Cities, USA.

**Arwin van Buuren** is Full Professor of Public Administration at Erasmus University Rotterdam, Netherlands.

**Barbara Crosby** is Associate Professor Emerita at the University of Minnesota Twin Cities, USA.

**Anna Domaradzka** is Assistant Professor at the University of Warsaw, Poland.

**Martijn Groenleer** is Professor of Public Governance at Tilburg University, Netherlands.

**Margot Hermus** is a former PhD student at Erasmus University Rotterdam, Netherlands.

**Michael Howlett** is Canada Research Chair (Tier 1) and Burnaby Mountain Professor at Simon Fraser University, Canada.

**Jorrit De Jong** is Emma Bloomberg Senior Lecturer in Public Policy and Management at Harvard Kennedy School, USA.

**Jenny M. Lewis** is Professor of Public Policy at the University of Melbourne, Australia.

**Michael McGann** is Lecturer in Political Science at the University of Melbourne, Australia.
Albert Meijer is Full Professor of Public Innovation at Utrecht University, Netherlands.

Karol Olejniczak is Associate Professor of Public Policy at SWPS University, Poland.

Yaerin Park is Visiting Researcher Fellow at George Mason University, Korea.

B. Guy Peters is Maurice Falk Professor of American Government at the University of Pittsburgh, USA.

A. Georges L. Romme is Professor of Entrepreneurship and Innovation at Eindhoven University of Technology, Netherlands.

Danbi Seo is Assistant Professor at Arizona State University, USA.

William Voorberg is Postdoctoral Researcher at Leiden University, Netherlands.

Maurits Waardenburg is a PhD student at Tilburg University, Netherlands.
